## Hart Schaffner &amp; Marx Clothes

one of our special specialties is a very complete and adequate showing of the fine product of Hart Schaffner & Marx, whose goods are worthy of the kind of liberal representation we give them. We are showing a great line of fine suits for spring, made on models which are specially designed to meet our requirements. You will not find such clothes in any other store. Every suit an extra good value at the price.....\$20.00 to \$30.00

## Specializing Great Values at \$15.00.

We make a specialty of the best suits ever offered at \$15. Absolutely all-wool hand tailored and guaranteed to keep their shape. They are the best values to be found in America for the money and contain more actual merit and value than the lines other stores sell for more money.

## Specializing Extra Values in Men's Hats at \$3.00

We specialize the Stetson No Name hat at \$3.00 because we believe it is the best \$3.00 hat in America and we can prove it by hundreds of men and young men that have worn them. The styles are snappy, up-to-date and correct and you can always bank on hat satisfaction if you buy your hat at this store.

## THIS is a Day of Specialization.

The man who does one thing and does it as well as he can, generally does it pretty well; same way with a business, this business.

We're specialists in good clothes for men and boys. The specialization is in the "good" as well as the clothes. We do it as well as we can; and if we are permitted to judge by the way our friends talk about us and the way they increase in numbers, we do it pretty well.

The thing we specialize in our merchandise—all of it—is quality. We buy it because it's good merchandise. We sell it at prices that give buyers big value for what they pay. It's a form of specializing in the clothing business that is not very common.

The corner stone, the foundation principle of this store, is value giving; better values than anywhere else; to maintain the highest principles of business; to offer the best clothes made; to be more accommodating and helpful to our customers; and above all to see that they get full-sized moneys worth. The values are self evident; so thorough in every point small or great, that you can't make a mistake

## John B. Stetson Hats \$3.50 to \$5.00

are always in demand by swell and correct dressers. The quality of these famous hats is never questioned. The style and color is absolutely correct. We show you more styles and colors than any other store in Saline County.

## Satisfaction and Comfort in Shoes

When you pay out your money for shoes, you want satisfaction, you want comfort, you want style. You'll never get any more than that. You'll find it mighty easy to get less. We make a specialty of shoes that give you more satisfaction, more comfort than you'll find in any other store. We're proving it to hundreds of men, let us prove it to you.

Work shoes or dress shoes.....\$2.50 to \$4.00

Hon. J. D. Shewalter, of Independence, Democratic candidate for United States senator, had but a very small audience at the court house Saturday afternoon. Mr. Shewalter seems to be a splendid thinker, but his arguments are not approved by our Democrats. In fact in listening to Mr. Shewalter you'd have to guess for which party he is speaking if he didn't tell you.

Mrs. S. W. Armentrout and Mrs.

J. M. Hanna were out Saturday in the interest of our new hospital and when they solicited H. H. Hyland he signed up for \$140. Mr. Hyland says he feels that Marshall needs a hospital badly as he had an experience last winter when he was in one of our boarding houses sick several months. We wish more of our people could talk and give "from experience."

J. H. Lakin one of Blue Lick's prominent farmers was in Marshall Saturday and found his friends had all "gone back on him" till he explained who he was. He decided to let his children and friends "see his face" after many years of hiding behind a beard. Even his son did not recognize him as he looks twenty years younger. In fact, we are thinking of putting him up as our candidate in the next beauty contest!

Lester Sadewhite, who went to Vernon County recently with the Ennis Bros., met with another accident recently. About eight years ago he lost an arm while playing around freight cars. Several weeks ago while holding a mule he was jerked around against a barbed wire fence and had his hand badly cut.
